

Dear Store Manager,

I am a regular customer at your store because you stock products that I love. I am writing because I can't find Grandma Maud's products in your store. Grandma Maud's makes a variety of southern style dry food meals, seasoning, and pie mix that I would definitely buy if it were available. Many of these products are vegan and all of them are certified kosher so they will undoubtedly fit the needs of many of your other customers.

Grandma Maud's is a small, minority owned business that has been in the industry for over 20 years. As a small business they have the ability to work closely with you to ensure that their products get your customers' attention. I would love it if you stocked your store with Grandma Maud's amazing products.

To request product samples and information please visit Grandma Maud's website at www.GrandmaMauds.com, email info@GrandmaMauds.com or call them at (773) 493-5353.

Thank you so much for your time and consideration,

A Valued Customer
